Winter 2007

Final Paper/Essay
Due 20 April 2007

Conduct an actual in-person interview with a local manufacturing owner, executive or manager. Develop your own questions that will help you learn what this person believes are the top challenges to his business. Learn what he expects from his employees. Obtain specific examples where education or training would better prepare an individual for the workforce. Prepare a report on your findings. A list of Utah County manufacturers will be made available to you.

Final is 4-5 pages, double spaced.
