Homework Problem Set 10

Due at beginning of class, Thursday, November 21, 2013

Problems are from *An Introduction to Statistical Signal Processing* by Gray and Davisson unless otherwise specified. This assignment is deliberately lighter so you can focus on your projects.

1. Schaum's 5.30
2. Schaum's 5.31
3. Schaum's 5.37
4. Schaum's 5.41
5. Schaum's 5.47
