**VIDEO ASSIGNMENT**

**Fall 2014**  
**T. H. Fletcher**

Complete the following by **October 9**:

---

The purpose of this assignment is to let you answer the following questions:

1. What is Chemical Engineering?
2. What do chemical engineers do?
3. How do I get some experience in Chemical Engineering?

**Assignment:**

1. Find and watch two youtube videos give answers to the above questions. For example, search “What Do Chemical Engineers Do” or “What is Chemical Engineering”.
2. Submit the URL’s of at least two websites that you looked at, with a short summary (approximately one or two paragraphs) of what you learned about Chemical Engineering and what chemical engineers do. Please rate each website on a scale of 1 to 10 (10 being high).

If you find a good website, please nominate it for the top 10 list.
