Business Presentation Self-Evaluation Form

Submit a typed report (1-page max, single spaced, 12 pt font) <u>via Learning Suite</u> that contains the following information:

1. How clearly did you identify your "ask" at the beginning of your meeting? (In other words, did you clearly state what action you wanted to happen?) If not, how could you have made it more clear?

2. Was your presentation formatted "top down"? If not, what could you do to change the format?

3. Did the information you provide support what you were asking for? If not, what would you change?

4. What did you, or your classmates, like about your presentation?

5. Was everyone persuaded? Why or why not?
