

Technical Presentation Self-Evaluation Form

Submit a typed report (1-page max, single spaced, 12 pt font) via Learning Suite that contains the following information:

1. List five aspects of your presentation that were particularly good or effective.
2. List two criticisms by your classmates in their evaluations of your presentation.
3. Do you agree with the above criticisms? Why or why not?
4. Based on your observations made by reviewing the video of your presentation, list two or more ways you feel you could improve your presentation?
5. Please give any suggestions for improving this class (optional).
