

RESUMES

How to prepare your resume to
maximize your chances of getting
the interview and the job you
seek

*This presentation is a summary of material from the resume guidelines on the BYU Chem Eng web pages. These guidelines are from Dow, Intel, and Dr. Wilding

Rules of thumb

- ▶ 70% of all jobs are by referral
- ▶ All jobs require a resume

Key Concepts

- ▶ First impression/attractive layout
- ▶ Error-free
- ▶ Easy to read
- ▶ Layout directs reader to key features
- ▶ One page if possible
- ▶ White or off-white paper
- ▶ Scannable version

Essential Components

- ▶ Personal Information
- ▶ Objective (optional)
- ▶ Education
- ▶ Experience
- ▶ Activities/Honors
- ▶ References available upon request (optional)

Personal Information

► Name

- All caps, large, bold

► Address

- campus, permanent

► Phone

► E-mail

► Do not give

- age, health
- marital/family status
- other personal information irrelevant to job

Accuracy!!!

Objective

► Optional

► Be specific enough to provide some useful information, but not so specific that you eliminate opportunities

► Examples:

- A summer internship in the environmental field
- A challenging position with a progressive company

Education

- ▶ Most recent institution first
- ▶ Full university name and location
- ▶ Degree you will receive and major
- ▶ GPA

Example:

B.S. in Chemical Engineering, Brigham Young University

GPA: 3.6

April 2010

Education

- ▶ Pertinent and **unique** courses/skills
 - semiconductor course
 - mathematics/statistics
 - computer software
- ▶ If interviewing for internship may list core courses
 - e.g., Fluid Mechanics, Thermodynamics

Experience

- ▶ Most recent first
- ▶ All jobs should be listed
- ▶ List organization, location, your title, dates
- ▶ Bullet your key accomplishments

Key Accomplishments (Dow)

Three questions:

1. What did I do?
2. What did I change or impact?
3. What was the value of that change or impact?

Example 1

What did I do?

Responsible for improving performance of reactor

What did I change or impact?

Improved batch reactor turnaround time by 3%

What was the value of that change or impact?

Created \$250,000 annual savings by improving reactor turnaround time by 3%

Example 2

What did I do?

Conducted market research on the opportunities for high-heat resistant plastics in medical applications

What did I change or impact?

Identified 10 potential new customers for high-heat resistant plastics in medical applications

What was the value of that change or impact?

Identified \$15 MM of potential new business within the medical market segment for high-heat resistant plastics

Activities/Honors

► Activities

- college organizations
- extracurricular (sports, music, drama, etc.)
- honor societies
- professional organizations

► List leadership positions or committee work

- title and role

Activities/Honors

► Honors

- scholarships
- awards

Missions

- ▶ Not required, but missing 2 years or 18 months will be questioned
- ▶ Can include as a work experience or activity
- ▶ Use to demonstrate skills/traits
 - Leadership, service, and interpersonal skills

Missions

Example

Voluntary Representative, The Church of Jesus Christ of Latter-day Saints, Nagoya, Japan 1997-1999

- Conducted presentations for individuals and groups
- Performed community service activities
- Supervised 10 other volunteers
- Planned and facilitated monthly meetings
- Learned to speak, read, and write Japanese

Church Service

- ▶ Not required, but can demonstrate leadership qualities
- ▶ Make your listing intelligible to non-member readers
- ▶ Example: Elder's quorum president
President of Men's Service Organization
 - ▶ Coordinated service activities of 20 volunteers

Additional Categories?

- ▶ Interests/Hobbies

- ▶ Skills

Questions to Answer

- ▶ What are my strengths, acquired skills, and talents?
- ▶ When someone else reads my resume, do they recognize them?
- ▶ Where is this resume going?
- ▶ **All resumes say something about their creators... What does yours say?**

from Brett Pennington, recruiter from ExxonMobil

Conclusions

- ▶ A good resume takes time
- ▶ Let others read and critique your resume
- ▶ Three keys:
 - Well Organized (& pretty)
 - Accurate
 - Meaningful (but brief)

Provo, UT 84606
(801)372-9519

Education

Brigham Young University: Provo, UT

- September – December 1999; January 2002 – Present
- Major in Chemical Engineering (overall GPA 3.65/4.00)
- Prospective graduation with a bachelor's degree in April 2005

Relevant Courses Taken:

- Thermodynamics
- Heat and Mass Transfer
- Chemical Reaction Engineering
- Fluid Mechanics
- Organic Chemistry
- Energy and Environment
- Separations
- Process Control and Dynamics
- Unit Operations

Work Experience

Research Assistant (Forest Fires): Brigham Young University Provo, UT

- November 2004 – Present
- Performed ASTM tests on leave samples

Teaching Assistant (Fluid Mechanics): Brigham Young University Provo, UT

- August 2004 – December 2004
- Provided help sessions for students
- Corrected papers

Summer Intern: Sandia National Laboratories Livermore, CA

- Summers 2003-2004
- Compiled and tested new version of the program CHEMKIN
- Others now more accurately predict species profile with new program

Maintenance: Century 21 Bushnell Orem, UT

- May – October 2002, February – January 2003
- Laid ceramic floor tile and painted apartments
- Solved maintenance problems with a variety of tools

Service

Volunteer Representative: The Church of Jesus Christ of Latter-day Saints

- January 2000 – January 2002
- Presided over 20 other volunteers in Bilbao, Spain
- Learned to read, write, and speak Spanish fluently
- Performed community service activities

Scouting:

- Eagle Scout
- Duty to God Award

Other Volunteer Work:

- Speak Spanish weekly with students
- Sang in a choir for elderly people

Achievements

Leadership:

- National Honors Society President (High School)
- Captain of High School Varsity Sports Teams (Baseball and Football)
- Freshman Class President (High School)

Observation:
Format very attractive, but
bullet items not very
descriptive of contribution

Brian S. Clegg

EDUCATION

Brigham Young University (1997 – present)

Pursuing BS in Chemical Engineering and minor in economics. Graduation scheduled for April 2001. GPA 3.0/4.0. Provo, UT

University of Utah (1996)

Completed freshman year of general education classes.

Salt Lake City, UT

WORK EXPERIENCE

Engelhard Corporation (Summer 2000)

Peekskill, NY

Process Engineer

- Saved \$26,000 on purchase of Surface Area Analyzer by product comparisons and successful negotiations with vendors.
- Implemented new technology and methods for measuring calciner temperature profiles.
- Completed lab and plant research to determine and achieve ideal calcining time / temperature conditions.

Start-up Yard Care Business (1996 – 2000)

Salt Lake City, UT

Founder

- Created client base by forming and implementing marketing plan.
- Maintained client base and obtained referrals by detailed commitment to customers' needs and punctuality.
- Streamlined operation to reach goal of \$30.00 per man hour income.

Other Work Experience (1993 – '99) Teacher at Missionary Training Center, commercial and residential construction, bilingual telephone operator, sprinkler installation and landscaping.

LEADERSHIP / SERVICE

BYU Rugby Team (1998 – present)

Provo, UT

Three Year Starter

- Team ranked 2nd nationally
- Voted "Most Outstanding Forward" by teammates and coaches.
- Dedicate 20 hours per week to practice, study, and physical preparation.

BYU Men's Service Group (Spring 2000)

Provo, UT

Vice President

- Organized and oversaw effort of group members to make monthly visits and ensure well being of approximately 160 other students.
- Participated in weekly presidency meetings where plans were implemented to reach group goals.
- Oversaw weekly teaching of group members.

FIACG Micro-credit Bank (Summer 1999)

Guatemala City

Volunteer

- Met with several village banks to compare success of urban versus and rural banks.
- Spoke with over 100 individual bank members to document various uses of borrowed capital.

Student Social Organization (1997 – '98)

Provo, UT

Committee Chair

- Organized monthly dances, dinners, and other social events for 170 other students.
- Headed a 15 member committee and saw that delegated assignments were completed.

Guatemala City Central Mission (1993 – '95)

Guatemala City

Volunteer Missionary

- Worked as secretary to the president in charge of providing supplies and living accommodations for office and 180 missionaries. Cut time spent to fulfill office duties by fifty percent.
- Supervised and trained over 30 other missionaries in various leadership positions.
- Dedicated 60 – 70 hours per week to counseling, studying, community service and leadership activities.

ADDITIONAL INFORMATION

Skills – Fluent Spanish. Mathcad and Excel math programs. Familiarity with Fortran programming language.

Personal – Involved in competitive athletics. Enjoy the outdoors including sailing, fishing, and backpacking. Interested in economics and international business and development.

Recruiter comment:
I loved the content of
the bullets, but the
format was not
attractive
