Merry Christmas!

It's hard to believe that 1994 is almost over. The year has passed by quickly for us, and it's been a fun year for our family, too. We were glad to be able to visit with many of our friends and family this year. It's great to catch up on your lives.

Tom has had another busy year. Teaching at BYU and doing research occupy most of his time. He did receive tenure this year; we were excited about that! Tom was also called as a member of the High Council for a BYU marrieds stake this past July. We miss having him attend our ward with the family each week. Tom looks forward to skiing with Daniel and Jenny this winter.

Beth fills her time at home entertaining Marianne and getting ready for another baby sometime in late January or early February. She has served as den leader for the Wolf Cub Scout Den most of the year and has really enjoyed working with these 8 year old boys, especially with Jeffrey.

Daniel turns 12 in January. It's hard to believe we'll have a child in Junior High and mutual this next year. Daniel is working hard on his scout projects and has already earned his first class rank and six merit badges. He still loves to draw (especially vehicle pictures), read, play sports, and he is doing great learning to play the piano. Daniel loves attending the BYU football and basketball games with his Dad.

Jenny turns 11 in February and is growing into quite a young lady. She still has long hair that she can sit on. She is involved in Girl Scouts, the school chorus, piano, and had a fun time cheerleading for Daniel's flag football team this fall. She loves playing with friends and making things with her hands. She loves taking care of Marianne, which is a big help to Mom.

Jeffrey turned eight this year and was baptized in June. He is in third grade and still has about 20 boys and only 5 girls in his class. Don't you feel sorry for their teachers! Jeffrey loves playing outdoors - swimming in the summer, bike riding, and playing in the snow all winter. His teacher challenged their class to read 30 minutes every day and he has done a great job on that.

Marianne just turned 18 months and is our little bundle of energy. She loves animals and can say most of the animal sounds. She jabbers quite a bit, but we don't understand most of it. We do understand "up" and "hot" and "hat" and a few other words. It will be interesting to see how she reacts to our new baby, since she has pretty much been the queen of our home since she was born.

We hope you all had a great 1994 and that 1995 will be even better. Please stop by to visit us if you make it to the Provo/Orem area. We would love to see you!

Merry Christmas and a Happy New Year!

Tom, Beth, Daniel, Jenny, Jeffrey, and Marianne Fletcher

*Happy
Holidays*
