The votes are in for the most popular person at the reunion ...drum roll please and the winner is Ben! (cheering) Throughout this book there are many pictures of him and the expressions people said when they saw him.

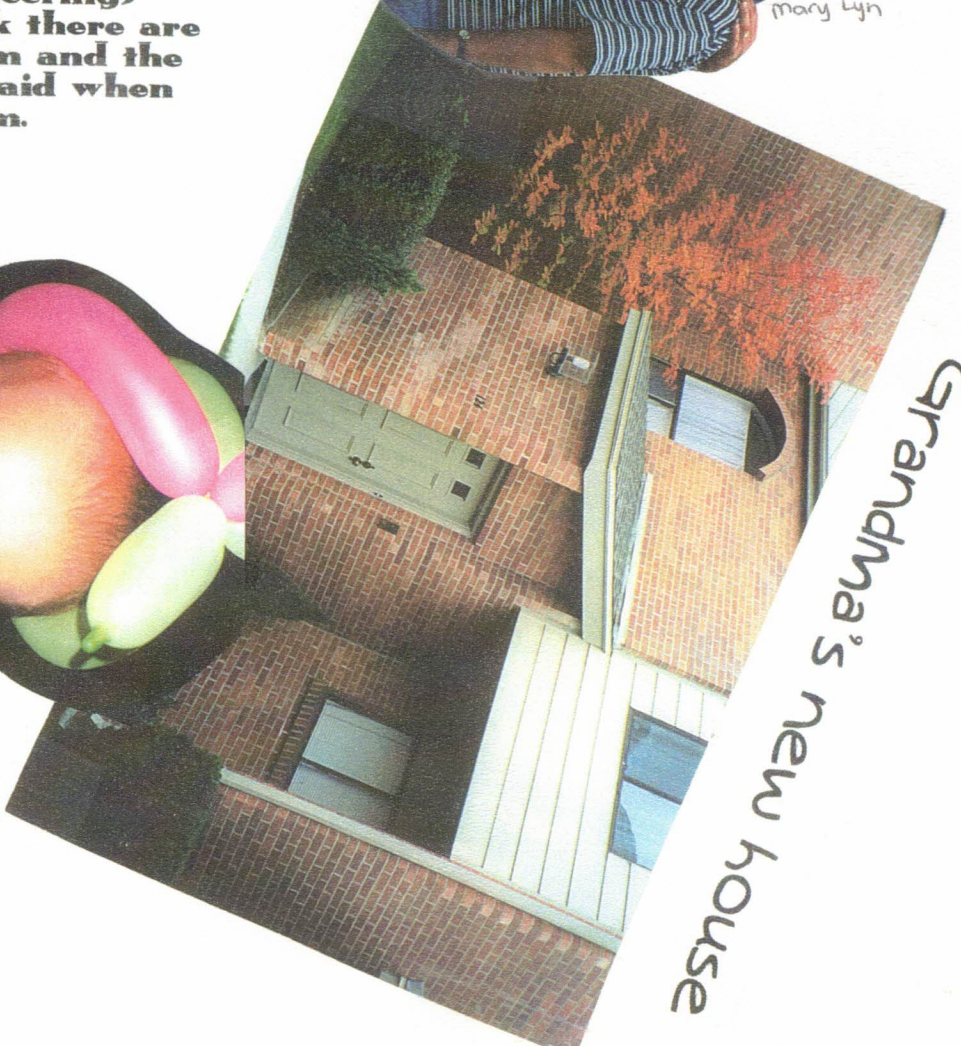

Look it's Ben!

The reunion activity was a hike to Timp Cave. This was during the day so many people hadn't arrived yet or were still in school. Those who went had fun.

The reunion activity

Grandma's new house

There were many games that were played at the family reunion, unfortunately I did not get a picture of all of them. We played spud, ping pong, volleyball, Balloon pit, pool games, Basketball, video games, pickleball, and other games. Games gave us the chance to see different sides of our family that we might not have seen otherwise.

The Chefs made us very good food. On Tuesday at the Perry's we had a barbecue with hotdogs and hamburgers. There were salads and chips and drinks and dessert. On Wednesday at the Fletcher's we eat Pizza and snow cones. (yummy) No one went away hungry either day. Thank you to the people who made the food. (and the clean up crew)

On a Timpanogos date

All their children keep real cool

And says goodbye.

Yet they stay happy and don't complain
Sporty Brian

Lots of sports and games too.

To and from our Utah spot.
