CHANNEL 2 PERFORMANCE

We are dancing on the Channel 2 News Morning Show this Wednesday, March 2nd. Everyone must be there by 5:15 a.m. (that's even early for me) We are going to be dancing outside. So everyone bring a warm coat to put on in between dances. Kari Perry from Channel 2 said that the surface is a marble-like tile so it shouldn't hurt our shoes. And it would sound better than our floor that I hate hauling around. We will be doing at least 5 dances. This is the order.

Time Step Warm-Up
Jump Joint (hat dance)
Polly Wolly Doodle
Siamsa
Sing Sing Sing

The address is 299 South Main Street #150, Salt Lake City. It's in the Wells Fargo Building.

We start dancing around 5:45 – 6:00 a.m. and should be done by 7:00 a.m. For anyone who is interested we are going out to breakfast after. Everyone is invited. I'm not sure of the location yet but I will let you know where we will be eating Wednesday.

Come ready and excited to dance, or just awake will be okay.

You guys are great and I am so lucky to have you dancing with me.

Love
Julie

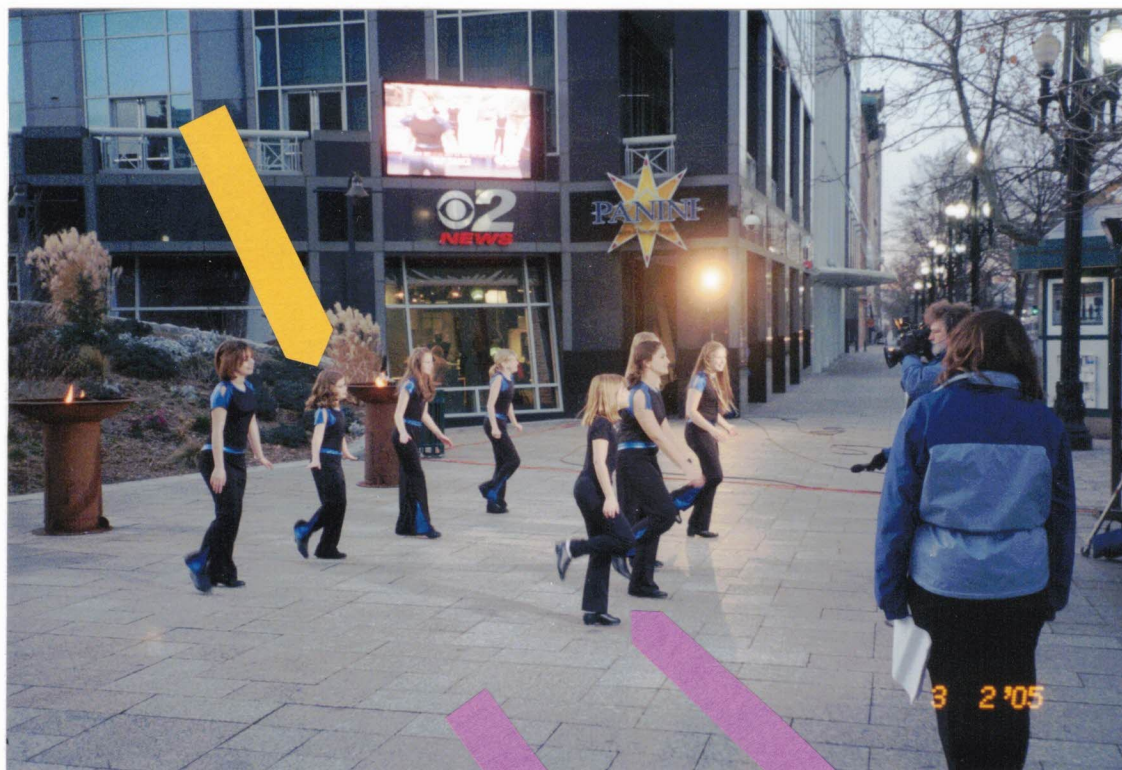

We got there nice
and early.
It was cold!

But when we
were dancing we
were okay.

March 2005 Tap Pros on channel 2 News

Right around this time the news reporter picked Traci up and dangled her feet over the fire saying that we needed to warm our toes up so we could tap. Traci was pretty shy at that point in life so Mom said she just hoped Traci wouldn't scream. She didn't. 😊

Every effort has been made to ensure that the puppy you have selected is healthy at the time of purchase. To keep the guarantee offered you in force, you **MUST** have your puppy examined by a licensed veterinarian of your choice within three (3) days of the date of purchase and delivery. During the initial exam, should your veterinarian find the puppy to be a poor health risk, or detects any physical problem that would require further veterinary care. Except for the required vaccinations and, or treatment for any type of parasite or bacteria, internal or external, you must contact the breeder within 24 hours. **A diagnosis of coccidiosis, giardia, parasites, or any other type of bacterial infection does not render your puppy unhealthy. Your guarantee does not cover the above mentioned conditions.** No veterinary fees charged for the initial exam, or for any other veterinary services will be paid for by the breeder or seller.

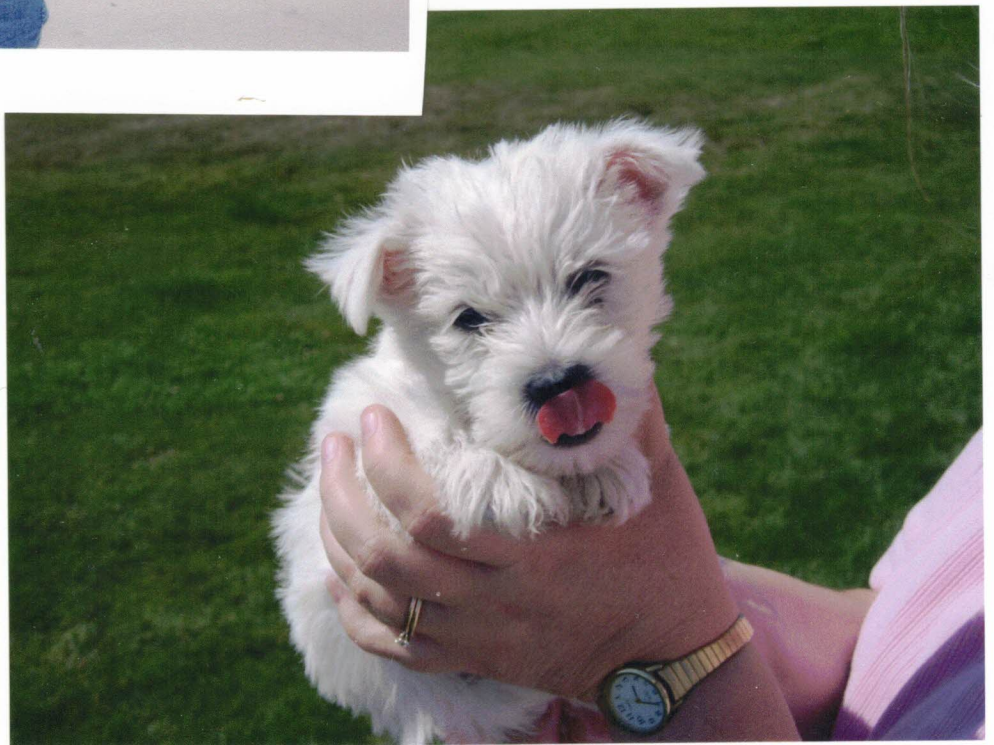

In addition to the above, we also guarantee your puppy for a full ten (10) days from the date of purchase or delivery against parvo, distemper, hepatitis, leptospirosis, canine influenza, and corona. In the event your puppy does not pass the initial exam, or should contract any of the above named problems, he or she must be returned immediately. The returned puppy must be accompanied by a legible, written, and signed veterinarian report. In the even the puppy is diagnosed with any of the above stated diseases, a complete history, laboratory report, and or pathology report from a licensed laboratory. If you puppy is diagnosed with PARVO, an IGG or IGM Blood Antibody Titer Test must be done and the results furnished to the breeder or seller. We will replace you puppy with the first available puppy of equal quality, or refund the purchase price.

We guarantee your puppy for one (1) year from the date of birth against all life threatening or permanently debilitating hereditary or congenital disorders. Permanently debilitating is defined as, unable to walk, exist as a pet with limited exercise, or blindness. This guarantee covers PRA, CPRA, Glaucoma, Cataracts, Hip Displasia, and Heart Murmurs. It does not cover non life threatening or temporary disorders such as uneven bite, undescended testicles, cherry eyes (prolapse of the nictitating membrane), disticciasis, retinal folds, entropies or entropian eyelids, inguinal or umbilical hernia, cranial soft spot, or hypoglycemia.

There is **NO** guarantee of capabilities to breed, show quality, size, coat quality, temperament or adaptability. **WE ENCOURAGE YOU TO SPAY OR NEUTER YOUR PET.** No other guarantees or warranties, including those of merchantability, have been

No Gifts Please

Merry Christmas 2005
from the Tom and Beth Fletcher Family

We are grateful for this special time of year. The world seems a little brighter and people seem to try to be a little kinder. We think of our Savior and His great love and example for all of us. We're grateful also to hear from so many of our family and friends and be able to catch up with the happenings in your lives. Keep those Christmas letters coming! Now here's an update on our family.

Traci is now in 5th grade and will turn 11 next month. She sings in the school chorus and takes tap and jazz dance classes. Traci and Marianne started going as a team to babysit for some of the neighbors' children this year. Traci was especially excited to get her own room this summer. She also was the main push for having a dog join our family this fall.

Marianne turned 12 last May and had an exciting summer. She was able to attend our ward youth conference and also girls camp. She started junior high this year and is loving it. She is learning clarinet in beginning band. She also takes tap and jazz dance classes. Marianne collects turtles of all shapes and sizes but was most excited about having a live turtle given to her by a friend.

Jeffrey worked full-time at a machine shop until he received his mission call and entered the MTC at the end of July. He is serving in the North Carolina Raleigh mission and adjusting quite nicely to the Southern way of life. Jeffrey was lucky enough to be able to attend six different temples before he entered the MTC. Our family loves getting his weekly e-mails telling us about his mission life. We're looking forward to talking to him on Christmas day.

Jenny just finished up her classwork at BYU this semester. She will student teach during the winter the semester and graduate in April. She has been living at home this fall to save on expenses and we love having her here. She has also been working part-time at a preschool in the two-year-old class. She could tell you some funny stories about her kids.

Daniel had an exciting year. He got engaged last December 31st and married Jenna Mattson in the San Diego Temple on June 24th. We have loved having another daughter join our family. Daniel and Jenna are both in their third year at BYU and live in Y-Mount married housing. They have served in their ward Primary this fall—Daniel as chorister and Jenna as pianist. With only a few children in their Primary, it can be a challenge sometimes. They are spending Christmas in California with Jenna's family and are especially excited to have warmer weather for a few weeks.

Beth is still playing catch-up with life. Have a puppy in the house has been like having a baby join the family—what were we thinking! She has been serving in Enrichment callings this year and adjusting to being with adults after many years of serving in Primary. Even though life is crazy as a stay-at-home mom, she loves being able to drive carpool and be around when the kids are home.

Tom turned the magic 50 this year. Life got a little busier for him when he was called to serve as 2nd counselor in the ward bishopric this fall. He still teaches at BYU and loves the college kids. This year he is also serving as the associate chair for their department. With Daniel and Jeffrey gone this summer, Tom now lives in a houseful of girls (except the dog is a boy).

We enjoyed getting to know Jenna's family when we were in Southern California for the wedding. We also enjoyed a few days at Disneyland and the beach. We only made it camping once with the girls this summer, but we had a fun time at Goblin Valley in Southern Utah before the weather got too hot. Tom and Beth also enjoyed a quick trip to Tracy, California and the Oakland Temple for a wedding. It was great to see many old friends there. We didn't make it to Virginia this summer with the wedding and mission, but we hope to go next summer and catch up with family and friends there. We love seeing so many of you as you come through Utah.

You have probably guessed by now that our family adopted a puppy. Louie is a little West Highland White Terrier and has been lots of fun and lots of work. He just graduated from puppy training so we're hoping that he will be a good member of the family.

We wish you all the best at this holiday season. We hope you make great memories with your families all through 2006!

Love,

Tom, Beth, Daniel, Jenna, Jenny, Jeffrey, Marianne, Traci and Louie
